#### JOINT MOTION FOR ENTRY OF STIPULATED PROTECTIVE ORDER

The parties hereby jointly move the Court for an order approving and entering the attached Stipulated Protective Order. In support of this motion, the parties state as follows:

1. Plaintiff has requested documents that include personal identifying information of voters and other information that is not public pursuant to federal or state law. Plaintiff has also requested information about the security of voting systems, which is highly confidential protected information to ensure the ongoing security of those systems. Defendant has requested non-public information about the operations of Plaintiff.

- 2. In order to facilitate the discovery process and avoid delays, the parties have agreed to the terms of the Stipulated Protective Order attached as Exhibit A.
- 3. While the parties recognize that protective orders are the exception to the general rule of public access to the courts, the Stipulated Protective Order will facilitate discovery and will limit the need for the Court to resolve issues related to confidentiality.

WHEREFORE, the parties respectfully request entry of the Stipulated Protective Order attached as Exhibit A.
