DEFENDANTS' NOTICE OF DATA
 IN RESPONSE TO THE COURT'S
 OCTOBER 30, 2020 ORDER

NOTICE OF DATA

Pursuant to the Court’s October 30, 2020 order (ECF No. 103), Defendants hereby respectfully submit data reports reflecting the current daily “all clear” status for each United States Postal Service facility in the Detroit and Lakeland geographical areas. USPS maintains plant-related data in such a way that there is no straightforward way to disaggregate data related to Detroit and Lakeland only. Thus, the attached report for all plants is over-inclusive, *i.e.*, the report includes data concerning the Detroit and Lakeland geographic areas, but also include plants outside of those areas. In other words, for database purposes, data concerning Detroit and Lakeland plants are included in data extracted for the Westshore and Lakeshores Districts.

Defendants also hereby provide the Court with explanations for five United States Postal Service facilities in the Detroit area that reported non-compliance with respect to conducting daily “all clears” for November 2, 2020. The explanations are provided in the attached responses to USPS’s daily compliance survey of Delivery/Retail Units regarding Political Mail and Election Mail “all clear” procedures

Defendants provided the attached data to counsel for Plaintiffs via e-mail prior to filing. Filing with the Court was slightly delayed due to Defendants’ concurrent data reporting obligations in several other cases, which involve the same personnel.

1 Dated: November 3, 2020

Respectfully submitted,

2 JEFFREY BOSSERT CLARK
